MMPS/Circular/17/2014

Dated:- 08-09-14

Dear Parents,

It is widely recognised that the skills of verbal communication, analytical reasoning, critical thinking, creative thinking, decision making and generic skills play a crucial role for every individual in order to be successful in personal as well as professional life. With the objectives of promoting and assessing these skills in the students, the Board initiated the conduct of Problem solving Assessment in February, 2013. The initiative of the Board has been widely accepted and appreciated by the stakeholders. This test for the ongoing session 2014-15 will be held on **20th November, 2014.**

Salient features of this test are as under:

- It is compulsory for all students of classes IX and XI.
- It comprises of a total of 60 items of MCQ type and carries 60 marks.
- The test will be held from 10.00A.M. to 12.00 noon.
- The test assesses life skills related to the following three domains:
Language conventions, qualitative reasoning and quantitative reasoning.
- PSA score will be counted towards FA4 which is 10% of total assessments for class-IX. This score will be reflected equally in one language (English or Hindi), Mathematics, Science and Social Science. Class-XI students will be issued a separate certificate for the same.
- Students studying in class X and XII in the current session (who appeared in PSA while studying in classes IX and XI during the previous session) who wish to improve in PSA are allowed to do so.
