## **Anti-Bullying Measures – A Joint Effort for a Safer School Environment**

Dear Parents/Guardians,

At MM Public School, we believe that a safe, respectful, and inclusive environment is essential for every student's growth and learning. In our continued commitment towards creating such an atmosphere, we would like to inform and involve you in important safety initiatives like:

### ***Anti-Bullying Measures: Zero Tolerance Policy***

Bullying in any form—verbal, physical, emotional, or cyber—is strictly prohibited at our school. Our Anti-Bullying Committee takes proactive measures including:

- Awareness workshops for students
- Open-door reporting system
- Counseling support for affected students
- Disciplinary action as per school policy

We appeal to you, dear parents, to observe changes in your child's behavior and encourage open conversations at home. Together, we can ensure that no child suffers in silence.

Let's Work Together

We urge all parents to partner with us by:

- Reinforcing the importance of kindness and empathy at home
- Reporting any concerning incident directly to the class teacher or school counselor
- Encouraging your ward to be an up stander, not a bystander

Let's raise aware, responsible, and resilient individuals who thrive in a culture of respect and dignity.

For any concern or clarification, feel free to reach out to the School.
